Deputy Commissioner's office

No. 752/S.

Dated Hassan 17th January/93.

From,

P. N. Purnaiya Esquire
Deputy Commissioner
Hassan District.

To,

The Chief Secretary to the Govern-
-ment of Mysore.

Sir,

In forwarding herewith an application dated 3d instant from Mr. Hassan Krishnappa Pensioned Amildar praying that the old Anche building and its premises, adjoining the Chuttrum built by him in Kasaba Hassan may be given over to him for being added on to the Chuttrum premises, I have the honor to state that the Anche building is just adjacent to the Eswara's temple of the Chuttrum as stated by him in the petition.

2. The building when vacated by

by the Cutcherry Department was occupied by the P.W.D. Overseer a Eurasian. In case the building is to occupied as a dwelling by Castes other than Brahmins it would be inconvenient and even objectionable for the performance of the Pooja and other services to the deity.

3. The building is applied for by him not for his private use but for the bona-fide purpose of adding it on to the Choultrum to afford additional accommodation for travellers. At present the available accommodation in the Choultrum is not sufficient for the numerous travellers halting there at all times. The building is situated at the entrance of the Town and there is very great facility for water which is available from the Ponds close by.

4. I have seen the Choultrum many a time and also noticed the insufficiency of accommodation. The addition of this old Cutcherry building and the premises to the

the Chutteum is much to be desired in the interests of the institution

5. I beg to add that the building in question is so small that it cannot be well made use of for any other purpose. On the other hand it adjoins the Chutteum and just behind the Eswara's temple, where punctual performance of the services is carried on since a long time past and for which every arrangement is made by the Petitioners. I beg to request you will be good enough to obtain sanction of Government for giving over the building for being added on to the Chutteum.

I have the honor to be,
Sir,

ABSTRACT.

Yaicher

Whereas the Dy Cs Report is submitted (the Arzi was called for and Commr reading these papers for needful attention

Remarks 27/4

The Dy Commr's report & previous references are submitted.

The Executive Engineer states that if the Archi building & punnies huts were sold by auction they might fetch not less than Rs. 1500.

The Dy Commr doubts if such a large sum can be realized, the building being old. He recommends the free grant of the building to applicant as he wants it to extend & improve his Chattram

The Petr urges in the present Petn:—

(1) that the roofing & walls are much damaged

(2) that the Executive Engr has purposely overestimated the value for fear the overseer who now occupies it will be turned out and he (Exec Engr) will have to vacate for him the Overseers Lodge which he is using

(3) that the no of travellers coming to the Chattram is daily increasing and the present accommodation is insufficient (vide paras 3 & 4 of the Dy Commr's letter No 752 dated 17-4-93

(4) that the Archi House being close to the temple in the Chattram, there is risk of Sampanka if it is otherwise disposed of (vide para 2 of the Dy Commr's letter referred to)

A plan of the locality is enclosed.
